WARSAW MANAGEMENT UNIVERSITY

RULES GOVERNING PREPARATION OF STUDY CREDIT PRESENTATIONS
AT COLLEGIUM HUMANUM POSTGRADUATE STUDIES

Basic requirements

The credit presentation is prepared by the student independently, under the supervisor's guidance; the topic of the thesis ought to be related to the field of postgraduate studies and agreed with the presentation supervisor. A case study is recommended.

The credit presentation must be delivered to the following email address of the Postgraduate Studies Office: podyplomowe@humanum.pl after approval by the thesis supervisor.

Approval of the credit presentation by the Supervisor is equivalent with obtaining the postgraduate studies final grade.

Formal requirements

The study credit presentation must include at least 15 slides (excluding the title page and the list of literature sources), prepared on the Collegium Humanum presentation template.

Layout of the thesis:

- 1) title page (stating: name and surname of the student, presentation title, title of postgraduate studies, supervisor's information, year and city)
- 2) introduction (outlining overall background of the research problem, enumeration of reasons for selecting the thesis subject)
- 3) text containing proper content of the thesis
- 4) conclusion (specifying synthetic conclusions from the paper and, possibly, mentioning possibilities of prospective solutions)
- 5) specification of literature and sources (list of publications used during preparation of the thesis. Bibliography items ought to be enumerated in the alphabetical order in division into kinds of sources; then, they may include: books, magazine articles, unpublished materials, normative acts, statistical sources, online sources).
